Sir,

Sub:- Establishment - Temporary - Public Works Department - South Kanara Division - Execution of Grow More Food Schemes - Special Staff - Continuance - requested.

Ref:- G.O. Ms.No.246 F & A (F.P) dated 12/12/50.

The Government in their order No.246 F & A (F.P) dated 12/12/50 have accorded sanction to the employment of the special staff connected with the execution of Grow More Food Schemes in South Kanara Division. The formation of the sub division was deferred, but the sanction to the employment of the staff was utilised as follows:-

I	Supervisors	Three.	with effect from 8/2/51.
	Clerk Lower Division.	One .	
	D'man III Grade	One .	
	Peons.	Three.	
II.	Asst. Engr.	one.	with effect from 1-1-52.
	Clerk. Upper Divn.	One.	
	Clerk. Lower Divn.	One.	
	Peons.	Two.	

Though sanction to the employment of a portion of the staff sanctioned in the above G.O. was first utilised with effect from 8/2/51, the actual sub division was formed only on 1-1-52. According to Article 50A of the Madras Financial Code Vol.I the utilisation of the Sub Divisional Officer and other staff from 1-1-52 does not seem to be in order. I therefore request that formal orders of Government to the utilisation from 1-1-52 of the posts in II above sanctioned in G.O.No.246 F & A (FP) dated 12/12/50 may please be obtained and communicated to me. The Superintending Engineer's action in having formed the Sub Division with the requisite staff from 1-1-52 in anticipation of formal sanction of Government may please be ratified.

2. The Sanction to the staff accorded in the above G.O. which were for certain posts first utilised with effect from 8/2/51 would expire by 7/2/52. The Superintending Engineer has therefore now brought to notice that their continuance for a further period upto 31-3-53 is quite necessary for the reasons stated in his No.2495 I dated 27-12-51 (copy enclosed) for reference. I agree with the Superintending Engineer in his demand and request that orders of Government for their continuance upto 31-3-53 as also the continuance of the staff mentioned in II above may be obtained and communicated to me early.

No. 2495 I/284 Q 13 dated 27/12/51

Sir,

Sub:- Establishment - Temporary - South Kanara Division
Execution of G.M.F.Schemes in South Kanara Dt -
Special Staff - Continuance - Sanction - Requested

In G.O.No.246 F & A(F.P.) dated 12-12-50 sanction was accorded to the employment of the following staff for execution of G.M.F.Schemes in South Kanara District.

Assistant Engineer	One	)
Supervisors	Three	) For Sub Division
Upper Division Clerk	One	)
Lower Division Clerk	One	)
Peons	Five	)
Lower Division Clerk	One	) For South Kanara
Draftsman III Grade	One	) Division office.

The formation of the special sub division was deferred but the sanction to the posts of supervisors and the office staff consisting of one Lower Division Clerk and One Draftsman III grade for the division office and three peons for the supervisors was utilised from different dates from 8-2-51 F.N. and the execution of the works was supervised by the Sub Divisional Officer Ice Plant Buildings Sub Division for some time and later by the Sub Divisional Officer Sheriya Anicut Sub Division. As the latter Sub Division has to be closed on expiry of sanction on 31-12-51 A.N. and as the works cannot be entrusted to to any other sub divisional Officer for supervision it has become necessary to utilise the other staff sanctioned in G.O. No.246 F&A(FP) dated 12-12-50 viz One Asst Engr, One Upper Division Clerk, One Lower Division Clerk and two peons from 1-1-52 and arrangements have also been made therefor. I presume that as the sanction for the staff for one year from date of employment was first utilised only with effect from 8-2-51 F.N. the sanction for the entire staff accorded in the G.O. would expire only on 7-2-52 A.N. and hence no special sanction is necessary for forming the Sub Division on 1-1-52 F.N. As the question is not free from doubt and to avoid any audit objection later on, I request that sanction of Government may, if considered necessary, be obtained for the formation of the sub division on 1-1-52. My action in having formed the sub division may also please be got ratified.

2. I furnish herewith an extract of letter No. 2319 S.E. dated 30-11-51 of the Executive Engineer South Kanara Division giving the stages of execution of the three works for which the special sub division was sanctioned. The Executive Engineer has now applied for sanction to the continuance of the full staff till 31-3-53. I agree with the Executive Engineer that the continuance of the staff is necessary for completion of the three major works now under execution and request that sanction of Govt to the continuance till 31-3-53 of the full staff may please be obtained.

V STAFF FOR EXECUTION OF G.M.F.SCHEMES IN SOUTH KANARA DT.

In G.O.No.246 F&A dated 12-12-50 the Government sanctioned a special sub division comprising of the following staff for execution of G.M.F.Schemes in S.Kanara Dt.

Asst Engineer	1	
Supervisors	3	
Upper Division Clerk	1	
Lower Division Clerks	2	(1 for division office)
Draftsman III Grade	1	(for Division office)
Peons	5	

The formation of the sub division was deferred as the works proposed to be attached to the sub division was temporarily supervised by the Spl.Sub Division and the Shiriya Anicut Sub Division. The sanction of the supervisors, 1 Lower Division clerk and 1 draftsman was utilised on different dates commencing from 8-2-51 F.N.

It is now proposed to form the sub division on 1-1-52 on the expiry of sanction of the Spl.Sub Division for constructing an anicut across Shiriya river. The following 3 works are under execution are proposed to be attached to the Sub Division.

Pavanji Dam
Phalimar Dam
Ramanchira Dam.

The work of constructing a dam across Pavanji Thodu is almost complete except for the scouring vents, raising the abutments by 3 feet and forming bank connection. As the scouring vents have been temporarily closed with an earthen bund to prevent influx of salt water further work on this can be resumed only after the irrigation season is over.

The work on the Anicut of the Phalimar is completed except for the scouring vent portion, raising the abutments, prviding coping stones for the anicut and portion of rough stone aprons in front and rear. The exeavation of the channels and execution of the cross masonry works are yet to be taken up. The head sluice on the right side has been yaken up and half completed.

The Ramanchira dam work is just taken up for execution departmentally and the work is in progress.

To complete the remaining items of work on the three schemes mentioned above the continuance of the sub division with the existing staff is necessary for the whole year 52-53

Besides these the proposed maintenance section of the Shiriya Anicut sub division is also to be attached to the Sub Division for supervision and technical advice.

Sub: Estt - Temply - P.W.D - S. Kanara Divn - Execution of GMF schemes - Special staff - continuance - proposals.

Ref: From the CE (GMF) Dr 43/52 M-1 dt 30-1-52

Please see the CE's letter on p 1 cf.

The proposals of the CE (GMF) are:

(1) continuance of the staff mentioned at A on p 1 cf from 8-2-52 till 31-3-53 as the sanction accorded to them in GO Ms 246 F&A(FD) dt. 12-12-50 expired on 7-2-52

(2) revalidating the orders in GO Ms 246 F&A(FD) dt 12-12-50 sanctioning the utilisation of the staff of one Asst Engineer and others mentioned at B on p 1 cf, from 1-1-52 as the Subdivn sanctioned in GO Ms 246 F&A (FD) dt 12-12-50 was not formed and the AE and other staff were not employed within one year of the date of sanction and that this is not in order according to Article 50A of the M.F. Code Vol I according to which the sanction for the Subdivn would automatically lapse as the Subdivn was not formed within one year of the date of sanction.

(3) Ratification of the action of the S.E. Coimbatore Circle in having formed the Subdivn on 1-1-52 in anticipation of approval of the Govt.

proposal 1 above:

The Executive Engineer, S. Kanara Divn has given in his letter on p 5 cf. details of the stages of execution of the three works for which the Special Subdivn was sanctioned. He has stated that the continuance of the staff during 52-53 is necessary for completing the remaining items of work on the three schemes referred to above. Both the SE Coimbatore circle and

The CE (GMF) have agreed with the EE in the circumstances explained by the EE the proposal of the CE (GMF) stating that the ac[illegible]ted in this Deptt. As the staff are being continued beyond 7.2.52 | E
in the [illegible]ation of orders the CE's action may be ratified.
proposal 2 and 3 above. Attention is invited to M on p5c.

The S.E Coimbatore circle is of the presumption that as the staff sanction for the staff for one year from the date of employment was first utilised only from 8.2.51 the sanction for the entire staff would expire 7.2.52 and hence no special sanction is necessary for forming the Sub Divn on 1-1-52 | A on p3c
As the actual Sub Divn was formed only on 1-1-52 though a part of the staff was employed earlier the CE has considered that formal orders sanctioning the formation of the Sub Divn on 1-1-52 are necessary | A
To avoid any audit objection later on the CE's proposals may be accepted and orders issued accordingly. | S on p1c

A draft order is submitted below subject to approval. The file may be sent to P.W and Finance for acceptance of the draft order. | K

Dft 12.2.52

(The presumption of the S.E/Coimbatore referred to at A above is not correct, as the sanction was not utilised before the expiry of one year from the date of the G.O.s The C.E.'s action therefore needs ratification. The draft order provides for this.)

Finance (E. II) Department.

In G.O.No.246 F. & A. (F.P.) dated 12-12-1950, sanction was accorded to the employment of the following staff for the execution of G.M.F. irrigation works in the South Kanara District:---

One Sub Divisional Officer.
Three Supervisors.
One Upper division clerk.
Two Lower division clerks.
One Draftsmen (Grade III).
Five peons.

Of the above staff 3 Supervisors, 1 Lower division clerk, 1 Draftsmen and 3 peons were employed with effect from 3-2-1951 and the remaining staff from 1-1-1952. P. & A. (F.P.) propose to sanction the continuance of the staff detailed at 'A' on page 1 C.F. beyond 8-2-1952 and also to renew the sanction in respect of the staff that was employed from 1-1-1952 for the reason that the orders in G.O.246 F. & A. (F.P.) dated 12-12-1950 were noted acted upon within one year from the date of Government sanction.

2. This Department may agree to the continuance, beyond 8-2-1952, of the staff mentioned at 'A' on page 1 C.F., As regards the renewal of sanction in respect of the staff employed from 1-1-1952, it is submitted that the Accountant General has given a ruling that even if sanction is acted upon partly within one year from the date of Government sanction, the question of lapsing of sanction under Article 30 of M.F.C. Volume I, will not arise - Please see extract at flag

(G) In the present case, the orders in G.O.No.246 F. & A. (F.P.) dated 12-12-1950 were acted upon partly on 8-2-1951, ie., within one year from the date of Govt. sanction. Therefore, renewal of sanction for the staff employed from 1-1-1952 is not necessary and the existing sanction for that staff will expire only on ~~1-1-1952~~ 31.12.1952. This Department may advise accordingly.
